Subject: RE: For clearance: Paper on engaging Saudis on LOAC issues

Attached is a paper on options for engaging the Saudis on minimizing civilian casualties in Yemen. This was tasked to us by the NSC from a recent IPC on the topic. The paper mentions LOAC, so wanted to make sure you had a chance to clear. Thanks for your review—would appreciate your comments/clearance by COB Wednesday.

[REDACTED]—this is the latest version – would appreciate any NEA comments tomorrow (Wed).
